The screenshot shows the UPS Developer Kit page. At the top, there is a navigation bar with the UPS logo and links for 'My UPS', 'Shipping', 'Tracking', 'Freight', 'Locations', 'Support', and 'UPS Solutions'. Below the navigation bar, there is a 'Support' sidebar with a tree view of links including 'Getting Started', 'Shipping', 'Tracking', 'Receiving Your Shipment', 'Billing and Payment', 'Technology Support', and 'Developer Resource Center'. The main content area is titled 'UPS Developer Kit' and contains an 'Announcements and API Updates' section with a paragraph about updates and a 'More' link. Below this is a 'How to Get Started' section with a 5-step process: 1. Register with My UPS, 2. Login, 3. Select an API, 4. Download the API documentation, and 5. Request an access key. To the right of this is an 'Access and Administration' section with links for 'Manage Access Keys', 'Authentication', 'Customer Support for UPS Developer Kit', and 'Learn About Integrating the UPS Developer Kit APIs'. At the bottom, there is a 'Developer APIs' section with a grid of links for various services: Shipping/Rating, Address Validation, Location, Pickup, Rating, Shipping, Time in Transit, Visibility, Quantum View, Stream Quantum View Data, Tracking, Provide accurate package status information, Tracking - UPS Signature Tracking, International Trade, Packages Documents, Upload document images, and LTL Traces by.

## Getting started

### Step 1: Register with My LTL

After obtaining your My UPS ID and Access Key as outlined within the UPS Developer Kit User Guide go to <http://ltl.upsfreight.com/> and select “Register”.

The screenshot shows the UPS Freight website interface. At the top, there is a navigation bar with the UPS logo, links for Home, About Us, and Contact Us, a search bar, and the text "UPS Freight™ LTL/Truckload". Below this is a secondary navigation bar with links for Shipping, Services, Tools & Forms, and Coverage. In the top right corner, there are "Login" and "Register" buttons, with a red arrow pointing to the "Register" button. The main content area features a "Welcome to UPS Freight" heading. On the left, there is a section for "LTL and Truckload Freight Services" with links to "UPS Freight LTL", "Urgent", "Guaranteed", "UPS Freight Truckload", "Offshore", "International", "Specialty Solutions", and "Trade Show". In the center, there is a "Track" section with a text input field for a PRO number and a "Track" button. On the right, there is a "Quick Links" section with links to "Transit Times", "Transit Maps", "Rate Estimate", "Pickups", "Create a Bill", "Proof of Delivery", and "Request a Call". Below the Quick Links is a "LTL Urgent" banner with the text "For time-critical and customized transportation needs". At the bottom, there is a "Current News" section with links to "Service Updates" (Holiday Schedule, Freezable Protection) and "Press Releases" (UPS ANNOUNCES RATE INCREASE FOR 2015, UPS FREIGHT ANNOUNCES 2014 RATE ADJUSTMENT). The footer contains links for Home, Shipping, Services, Tools & Forms, Coverage, About Us, Contact Us, Site Guide, Search, UPS.com, and various legal notices.
