It is our MISSION:

To educate the local community about the possible uses and benefits of sustainable living practices, renewable energy, energy efficiency.

To promote and network with the area businesses, individuals and groups, working to promote the idea of sustainability, renewable energy, conservation and energy efficiency.

We believe that achieving our mission will help boost economic development, improve public health and reduce overall waste and pollution.

Benefits of Membership

- Networking and alliance with other green businesses and individuals throughout Southeast Wisconsin
- Opportunities to sponsor and advertise at local events
- Corporate level members will be listed on the Sustainable Living Group website
- Discounts to attend Sustainable Living Group-sponsored events

Involvement

- Businesses must provide "green" products or services, or participate in green business practices.
- Individuals must have a commitment to the environment.
- Attendance at monthly meetings, currently held on the first Tuesday of each month. Please visit our website at www.sustainablelivinggroup.org for details on meeting locations.
